

Clinically Proven.

Sterile Processing Preferred.

At 2.2 lbs. fully assembled, the TITAN CSR® retractor reduces hazards in SPD workspaces and improves ergonomics

It's no wonder that SPD Professionals prefer the TITAN CSR® retractor

Three TITAN CSR® retractors on the top shelf, two Bookwalter® retractor sets occupying the rest of the cart.

What would you rather lift?

- ✓ No value can be put on staff safety through improved ergonomics.
- ✓ Take back valuable space in sterile storage and on your sterilization racks (reducing the number of sterilization cycles per day).
- ✓ Lowers the risk of wet packs due to weight and overcrowding of instruments in the tray.
- ✓ Reduces staff needed in the operating room, minimizing personnel costs and optimizes use of O.R. and SPD resources.
- ✓ Only 10 parts to clean and count, reducing the number of surgical trays per case.
- ✓ The TITAN CSR® retractor is corrosion-resistant, easy to clean, and maintains integrity after repeated sterilization cycles reducing costs to maintain.

*The Bookwalter® trademark is a registered trademark of Symmetry Surgical, Inc., and ASR Systems makes no claim to it. ASR Systems is not an authorized seller of Bookwalter® branded products.
